- IGETC Applicability (Recommended-requires CSU/UC approval)

Articulation Information

- CSU Transferable
- UC Transferable

Methods of Evaluation

- Skill Demonstrations
 - Example: 1. Student must be able to accurately demonstrate the three basic stances utilizing the Squared and Staggered formations. Video analysis will be used to assess the skills. Pass/Fail grading. 2. Student must be able to accurately perform at least two high level throws: Lateral Drop, Arm Spin, Head and Arm, Fireman's Carry. A rubric will be used to score the assignment and a traditional grading scale will be used.

Repeatable

Yes

Methods of Instruction

- Laboratory
- Distance Learning

Lab:

1. Instructor will facilitate a class discussion on the various defensive scenarios. The students will examine the scenarios and discuss in small groups. (Objective 3)
2. Instructor will lead a discussion on scoring methodology during competition. The students will discuss scoring methodology in small groups. (Objective 4)
3. Instructor will demonstrate single leg techniques followed by a student demonstration. (Objective 5)
4. Instructor will demonstrate an escape technique followed by a student demonstration. (Objective 3)

Distance Learning

1. The instructor will lecture on defensive wrestling strategies. The student will analyze and discuss the defensive strategies. (objective 2)

Typical Out of Class Assignments Reading Assignments

1. Read the text on offensive strategy and be prepared for an in-class discussion. 2. Read the "Dan Gable Story" and prepare to discuss in class.

Writing, Problem Solving or Performance

1. Students will be placed into match situations and they need to employ the proper technique to score from the offensive position. 2. Students will be assigned to identify scoring situations in the offensive and

defensive positions from a live demonstration. The students will write their observations for review with the instructor.
