Methods of Evaluation

- Skill Demonstrations
 - Example: 1. Student will be required to exhibit proper skill performance in executing the forearm pass, the set, and the serve. 2. Student will be able to serve 5/10 overhand serves in the court successfully.

Repeatable

No

Methods of Instruction

- Activity
- Distance Learning

Activity:

1. The instructor will explain and demonstrate the proper form of the overhand serve. The students will practice this form as well as perform the serve in match play.
2. The instructor will describe and compare defensive strategies. The students will apply these strategies in match play.

Distance Learning

1. Discussion by the instructor on fundamentals of power volleyball. The students discuss this topic in small groups. (Objective 1)
2. Instructor will lead a discussion on the principles of offensive team play. The students will discuss this topic in small groups.

Typical Out of Class Assignments Reading Assignments

1. Read an article about drills and practice on the fundamental skills of volleyball from one of the main volleyball websites: avca.org, prepvolleyball.com, or volleyballmagazine.com.
2. Search the internet for an article on both offensive and defensive volleyball strategy to read and discuss in class.

Writing, Problem Solving or Performance

1. Submit a written report identifying strengths and weaknesses of a perimeter versus rotation defense.
2. Student will be given a specific offense to analyze and will report in writing the best method of defense.
