Overview

The faculty of the Art Department is committed to the objective of making the arts of the past and present available to the students through historical surveys and the studio experience. It is believed that this heritage of thought and skill, going beyond our immediate time and culture, will enrich the students' lives, their personal view of their world and their communication of ideas, through added knowledge and inter-cultural understanding.

TRANSFER MAJOR REQUIREMENTS in Art are available in the Counseling Center. In all cases, students should consult with a counselor for specific transfer requirements. Positions for which four-year graduates in Art are qualified are professional artist, teacher, fine artist and crafts artist.

Studio Arts for Transfer

AA-T Degree

Studio Arts is a program that provides students with broad exposure to the visual arts through basic requirements in two and three-dimensional studio and art history. Program curriculum introduces students to the fundamental concerns of art, including lab and material safety, visual literacy, design, problem solving and critical thinking. Through various hands on projects, students develop the skills necessary to approach problems, analyze constraints and requirements and use appropriate techniques to invent creative solutions in a variety of media.

The Associate in Arts in Studio Arts for Transfer degree (AA-T) prepares students to transfer into the CSU system to complete a bachelor's degree in Studio Arts or a major deemed similar by a CSU campus. Students earning an associate degree for transfer and meeting the CSU minimum transfer admission requirements are guaranteed admission with junior standing to the CSU system, but not to a particular campus or major. Upon transfer, students will be required to complete no more than 60 additional prescribed units to earn a bachelor's degree.

To earn the Associate in Arts in Studio Arts for Transfer degree, students must complete 60 CSU-transferable semester units with a minimum grade point average of 2.0, including both of the following:

- completion of all courses required for the major with grades of “C” or better; and
- completion of the California State University General Education Breadth (CSU GE) pattern or the Intersegmental General Education Transfer Curriculum (IGETC) pattern. (Students transferring to a CSU campus using IGETC must complete Area 1C Oral Communication to be eligible for admission.)

The exact wording of the law pertaining to associate degrees for transfer may be found in Education Code Section 66746.

It is highly recommended that, prior to transferring, students complete courses that satisfy the CSU United States History, Constitution and American Ideals graduation requirement. In all cases, students should consult with a counselor for more information on university admission and transfer requirements.

RESTRICATION: International coursework from non-United States regionally accredited institutions cannot be applied to associate degrees for transfer.

### Studio Art

#### AA Degree
(formerly Art)

The AA program in Studio Art is intended to prepare students for entry-level positions in the fine and applied art fields. The program seeks to provide breadth through basic requirements in two and three-dimensional studio and art history courses. Additional course work is selected by students toward specific career alternatives such as fine artist, graphic designer, crafts person, illustrator, or computer artist. Employment opportunities in these fields are highly dependent on the quality and breadth of one’s artistic portfolio. In all cases, students should consult with a counselor for more information on university admission and transfer requirements. Students must fulfill the following major requirements with grades of “C” or better, complete a minimum of 60 degree-applicable semester units (12 of which must be completed at Sierra College) with a grade point average of at least 2.0 and complete one of the following three general education patterns:

- Sierra College Associate Degree Requirements (http://catalog.sierracollege.edu/student-resources/associate-degree-requirements);
- California State University General Education Breadth (CSU GE) (http://catalog.sierracollege.edu/student-resources/general-education/california-state-university-general-education-breadth-requirements) pattern;
