

ABOUT SIERRA

Land Acknowledgement

With respect, we acknowledge the Rocklin Campus of Sierra College as the traditional and unceded land of the Nisenan and Miwok peoples. The Secret Ravine, known in Nisenan as Hoyok, is home to an ancestral village site protected for generations by local tribal nations and their members. Sierra College commits to an ongoing relationship with the United Auburn Indian Community and other local tribes, and to respect the legacy of the first peoples of this land and their future generations who are an integral part of the Sierra College community.
