Overview

The active part that the United States is now taking in world affairs makes it desirable that a greater number of Americans than ever before have knowledge of foreign languages and cultures. In the most recent census of California, 43.5% of our population speaks a language other than English at home; U.S. census projections show the Hispanic community growing across the nation. For this reason, students will benefit from learning Spanish in preparation for any career. The acquisition of desired practical communication skills is the primary objective of the Spanish program at Sierra College. Courses are organized around grammatical themes imbedded in cultural topics, requiring critical thinking, analysis and practical application. Instruction in the Communicative Method integrates the five key learning objectives of Speaking, Listening, Reading, Writing and Cultural Competence.

Spanish for Transfer

AA-T Degree

This Associate in Arts in Spanish for Transfer (AA-T) degree provides a comprehensive foundation in the Spanish language. The degree ensures the development of listening, reading, writing and speaking skills; examining important contributions to Spanish language literature; examining new ideas from the Spanish speaking world; and cultivating an openness to new ideas and an informed appreciation of Spanish speaking cultures.

The Associate in Arts in Spanish for Transfer degree (AA-T) prepares students to transfer into the CSU system to complete a bachelor's degree in Spanish or a major deemed similar by a CSU campus. Students earning an associate degree for transfer and meeting the CSU minimum transfer admission requirements are guaranteed admission with junior standing to the CSU system, but not to a particular campus or major. Upon transfer, students will be required to complete no more than 60 additional prescribed units to earn a bachelor's degree.

To earn the Associate in Arts in Spanish for Transfer degree, students must complete 60 CSU-transferable semester units with a minimum grade point average of 2.0, including both of the following:

- completion of all courses required for the major with grades of "C" or better; and
- completion of the California State University General Education Breadth (CSU GE) (<http://catalog.sierracollege.edu/archive/2017-2018/student-resources/general-education/california-state-university-general-education-breadth-requirements>) pattern or the Intersegmental General Education Transfer Curriculum (IGETC) (<http://catalog.sierracollege.edu/archive/2017-2018/student-resources/general-education/intersegmental-general-education-transfer-curriculum-igetc>) pattern. (Students transferring to a CSU campus using IGETC must complete Area 1C Oral Communication to be eligible for admission.)

The exact wording of the law pertaining to associate degrees for transfer may be found in Education Code Section 66746.

It is highly recommended that, prior to transferring, students complete courses that satisfy the CSU United States History, Constitution and American Ideals graduation requirement. In all cases, students should consult with a counselor for more information on university admission and transfer requirements.

RESTRICTION: International coursework from non-United States regionally accredited institutions cannot be applied to associate degrees for transfer.

Spanish

AA Degree

The Associate of Arts in Spanish degree prepares students for transfer to a baccalaureate program in Spanish and provides a comprehensive foundation in the Spanish language for career fields such as education, international relations, medicine, and social services. The degree ensures the development of listening, reading, writing, and speaking skills; examining important contributions to Spanish language literature; examining new ideas from the Spanish speaking world, and cultivating openness to new ideas and an informed appreciation of Spanish speaking cultures. The major is designed to meet the lower-division requirements for Spanish majors at four-year institutions. In all cases, students should consult with a counselor for more information on university admission and transfer requirements. Students must fulfill the following major requirements with grades of "C" or better, complete a minimum of 60 degree-applicable semester units (12 of which must be completed at Sierra College) with a grade point average of at least 2.0 and complete one of the following three general education patterns:

- Sierra College Associate Degree Requirements (<http://catalog.sierracollege.edu/archive/2017-2018/student-resources/general-education/associate-degree-requirements>);
- California State University General Education Breadth (CSU GE) (<http://catalog.sierracollege.edu/archive/2017-2018/student-resources/general-education/california-state-university-general-education-breadth-requirements>) pattern;

Spanish for the Healthcare Professions

Skills Certificate

This skills certificate is designed for individuals whose professional careers and personal interests take them to the healthcare field. Spanish is the first language of a large percentage of the population and today's medical professionals must meet both the linguistic and cultural challenges that come with the growing diversity in the healthcare population. Whether you are new to the Spanish language or just want a refresher, this skills certificate emphasizes the language and cultural skills needed by nurses, physicians, pharmacists, technicians, support staff, dietitians, social workers, etc., who are entering or are currently employed in a healthcare setting. A skills certificate is designed to provide career technical skills; it is not equivalent to an associate degree.
