Overview

The United States is taking an active role in world affairs, and it is desirable for Americans to have knowledge of foreign languages and cultures. Learning a foreign language will benefit students and prepare them for any career. The acquisition of desired practical communication skills is the primary objective of the World Languages Department at Sierra College. Courses are organized around grammatical themes imbedded in cultural topics, requiring critical thinking, analysis and practical implication. Instruction on the Communicative Method integrates the five key learning objectives of Speaking, Listening, Reading, Writing and Cultural Competence.

TRANSFER MAJOR REQUIREMENTS in Foreign Language are available in the Counseling Center. In all cases, students should consult with a counselor for specific transfer requirements. Four-year graduates in Foreign Languages are qualified for positions in teaching, business, foreign services, law enforcement, nursing, secretarial and diplomatic services.
