

# TRANSFER ARTICULATION AGREEMENTS

---

Sierra College maintains formal articulation agreements with many transfer colleges and universities. These agreements specify how courses will be accepted at the transfer institutions. Articulation agreements with California State University and University of California campuses may be viewed at [www.assist.org](http://www.assist.org) (<http://www.assist.org/web-assist/welcome.html>). ASSIST is the online official repository of articulation for California's public colleges and universities and provides the most accurate and up-to-date information about student transfer in California. ASSIST does not take the place of a counselor; it is intended to help students and counselors work together to establish an appropriate path toward transferring from a public California community college to a public California university.
