## Required Steps to Register

Students who are new to Sierra College and returning students who have been away from Sierra College for three years or more must complete College Terms and Conditions and Career and Academic Planning (CAP) prior to registering for classes.

## College Terms and Conditions

College Terms and Conditions may be reviewed and completed online through mySierra (the password protected portal that gives users access to secured information on the Sierra College intranet). College Terms and Conditions provides information about programs, student support services, academic expectations and class registration procedures.

## Placement and Testing Services

As part of the process to enhance student success, Sierra College provides students with an initial recommended placement in transfer level math and English. English as a Second language students take an assessment for placement in ESL courses. Recommended course placement in math and English is based on the following:

- information provided by student on the college application

## Counseling

Sierra College provides Career and Academic Planning (CAP) sessions in which students work with counselors to develop Student Educational Plans (SEP). Counselors may also refer students to support services and answer specific questions and concerns.

## Exemptions

Some students are exempt from College Terms and Conditions and counseling requirements. Nevertheless, students are encouraged to avail themselves of these services. Students are exempt if they meet any of the following criteria:

- Hold an associate degree or higher;
- Apply with an educational goal of "educational development," "maintain certificate or license," or "advance in current job/career."

## Challenges or Appeals

A student may file a challenge or complaint if the student believes that the Student Success Act regulations are not being met. All challenges, appeals, complaints, or requests for information should be directed to the counseling office in the Winstead Center on the Rocklin campus.

## Enrollment Priorities

Enrollment priority is provided for students enrolling at Sierra College for the purpose of degree or certificate attainment, transfer to a four-year college or university, or career advancement. Students must:

- have completed College Terms and Conditions;
- attended a counseling appointment and developed a student education plan;
- be in good academic standing, first semester academic or progress probation, or be making satisfactory semester progress with a grade point average of 2.0 or higher;
- have completed less than 100 degree-applicable units at Sierra College (excludes all courses numbered 500 and above, such as non-degree applicable English as a Second Language courses, basic skills courses, or special courses designed to address the educational limitations of students with disabilities).

Registration priority shall be provided to students in order of priority listed below (within each category, priority is assigned by number of units completed at Sierra College).

## Priority 1

- Students who are receiving services through CalWORKs;
- Students who are determined to be eligible for services through Disabled Students Program and Services (DSPS);
- Students who are receiving services through Extended Opportunity Program and Services (EOPS);
- Students who are Tribal TANF recipients;
- Foster youth or former foster youth students up to and including the age of 25 by the first day of the term;
- Homeless youth;
- Veterans and Members of Armed Forces or State Military Reserve (have priority for 4 academic years). See Veterans Success Center for more information.

## Priority 2 Student groups in the following order:

1. College-authorized: Intercollegiate Athletes, TRiO students, and RISE students.
2. 1st semester Sierra Promise students.
3. Continuing, returning, and Ghidotti students.
4. New students – must have completed College Terms and Conditions, counseling/advising and a student education plan.

## Priority 3

- Students who have lost enrollment priority.
- All other students (including but not limited to Academic Enrichment students).

Enrollment priority for any student (other than foster youth or former foster youth) shall be lost at the first registration opportunity for either of the following reasons:

1. The student is placed on academic and/or progress probation for two consecutive semesters and is subject to dismissal. (An automatic appeal will be granted for any student making satisfactory semester progress by earning a semester GPA of 2.0 or higher.)
2. The student has earned 100 or more degree-applicable units at Sierra College.

DSPS students who have been granted an accommodation of registration priority as part of their documented plan are not subject to loss of registration priority.

## Enrollment Priority Appeals

Students may appeal the loss of priority enrollment status due to extenuating circumstances, or where a student with a disability applied for, but did not receive reasonable accommodation in a timely manner. Extenuating circumstances are verified cases of accidents, illnesses or other circumstances beyond the control of the student. Contact an Admissions and Records office for further information.

## Class Registration

Students may register at the designated date and time or at any time thereafter during scheduled hours of registration. Students are encouraged to use mySierra web registration at [www.sierracollege.edu](http://www.sierracollege.edu) (<http://www.sierracollege.edu>) during their scheduled time to ensure the best possible course selection.

## Waitlists

A 20 space waitlist may be established for classes offered by Sierra College that have reached maximum enrollment.

- Eligible students who meet the course prerequisite may join the waitlist.
- Students enrolled on a waitlist for a course section will be permitted to enroll in another section of the same course.
- Students are permitted to join multiple waitlists for the same course.

When a seat becomes available in a class, a courtesy notification will be sent to the first student on the waitlist through mySierra email. The student

will be given 48 hours from the date and time they become eligible to register in the class, or up to 11:59pm on the day prior to the first day of the class, whichever comes first. If the student does not register, they will be removed from the waitlist and the next student on the waitlist will be sent a courtesy notification of an open seat in the class. This process continues until all available seats are filled. It is recommended that students regularly monitor their mySierra email and waitlist status.

Students remaining on a waitlist once the class begins must attend the class. Students failing to attend the first class meeting may lose their places on the waitlist. Faculty who add students on the first and/or second day of class will give students on the waitlist first priority in the order in which the students are listed on the waitlist.

For more information, please contact Admissions and Records (<https://www.sierracollege.edu/admissions>).

## Add/Drop Period

Registration is available during the first two weeks of the fall and spring semesters. Permission to add must be obtained from the class professor. The professor supplies each student with an add code that allows the student to add the course through mySierra web registration or in person at a campus Admissions and Records office. All fees must be paid at the time of registration. Refer to the website for registration details and deadline dates and times.

Late Start and Fast Track classes have class-specific add/drop deadlines. This information is published in the class schedule and may be accessed by clicking on the CRN (course reference number) and reviewing the "Critical Dates for this Course."

Note: Under no circumstances will class registration be processed after the withdrawal deadline.

## Payment Information

Fees and tuition are due at the time of registration. Students are given a 10 calendar day grace period, after which they will be dropped from the classes for non-payment. Students registering for classes less than 10 days before the semester begins must have their accounts paid in full before the first day of the term. If there is an outstanding balance owed on the student account after the semester begins, a hold will be placed on the record and the account will be subject to collection. It is the student's responsibility to drop from courses they are no longer intending to take.

## Fees and Holds

Students owing fees after the start of a semester will have holds placed on their records. Students with holds for unpaid fees, fines, tuition, etc., must clear the holds before any future registration will be permitted. Sierra College reserves the right to use methods permitted by law to collect fees due, including referral to a collection agency. For further information, please click here (<https://www.sierracollege.edu/admissions/costs.php>).

The money collected shall be used to provide support for governmental affairs representatives of local or statewide student body organizations who may be stating their positions and viewpoints before city, county, and district governments, and before offices and agencies of state government. For this fee, \$1.00 of every \$2.00 collected will be used to support the Student Senate of the California Community Colleges (SSCCC), the statewide community college student organization recognized by the Board of Governors (BOG) of the California Community Colleges.

The SSCCC is a 501(c)3 nonprofit charitable organization that provides students with opportunities to take an active role in higher education advocacy, policy development, and participatory governance. Title 5 §51023.7 grants students the right to participate in the development of those policies and procedures that significantly impact them and the SSCCC is the mechanism for students to participate statewide in policy development. The SSCCC is guided by the delegates from all California community colleges and is recognized as the official voice of the over 2.1 million students by the Board of Governors, legislature, governor, and other education stakeholders. The new funding source will provide the SSCCC with resources to provide greater sustainability, institutional memory, and transparency, as well as funds for student leadership and advocacy training.
