A senate formed by each group advocates the group's interests. Each organization represents its constituency with a formal voice in determining educational policy, procedures, and regulations as well as coordinating representatives on committees and councils.

The **Student Senate** actively represents the students in the College's committee work and planning. The organization also promotes student activities and clubs as well as providing information on current events for the student body.

The **Classified Senate** represents the College's support staff on professional matters.

The **Academic Senate**, under authority from Title 5 of the California Code of Regulations, represents all faculty on academic and professional matters.

The **Management and Confidential Senate** represents educational administrators, supervisory, and confidential employees on professional matters.

The **Strategic Council** consists of five representatives from each of the constituency groups. The purpose of the Council is to present and discuss the concerns and interests of the constituent groups; to collaborate with the Superintendent/President by conveying the interests of the constituent groups on the strategic direction of the college; to share in decision-making by advising the Superintendent/President in the development of policies and procedures; and to assist in disseminating information to the college community.

The **Board of Trustees** is the elected governing body of the Sierra Joint Community College District and has the final authority to establish policy for current and long-range educational plans and programs, promote orderly growth and development, and ensure fiscal responsibility. Board Policies and Administrative Procedures may be found here (<https://www.sierracollege.edu/about-us/leadership/board-of-trustees.php>).
