## Overview

The Communication Studies program focuses on how people use messages and symbols to generate meaning, critique and relate to one another across various contexts, cultures, channels and media. Providing inquiry into performances of the self and our communities, attending to issues of power and diversity and producing works of media and performance toward social justice; communication is a diverse discipline that serves as the basis for an ever-expanding understanding of how we all communicate.

Students may transfer as Communication Studies majors to the university level and/or use their education as introductory training for careers in social science, media, journalism, broadcasting, public information, media research, public opinion analysis, government and multimedia design.

## Communication Studies for Transfer

### AA-T Degree

Communication Studies is a broadly based discipline that includes public speaking, mass and mediated communication, journalism, interpersonal, intercultural and group communication. The degree program allows students to critically analyze information and arguments, evaluate and create effective oral and written messages, write and deliver effective presentations and formulate communication solutions to problems in professional and personal contexts. This degree program will prepare students to transfer as Communication Studies majors to the university level as well as use their education as an introduction to careers in fields such as journalism, public relations, fundraising, law, broadcasting, mediation, human resources, customer relations, business management and education.

The Associate in Arts in Communication Studies for Transfer degree (AA-T) prepares students to transfer into the CSU system to complete a bachelor's degree in Communication Studies or a major deemed similar by a CSU campus. Students earning an associate degree for transfer and meeting the CSU minimum transfer admission requirements are guaranteed admission with junior standing to the CSU system, but not to a particular campus or major. Upon transfer, students will be required to complete no more than 60 additional prescribed units to earn a bachelor's degree.

To earn the Associate in Arts in Communication Studies for Transfer degree, students must complete 60 CSU-transferable semester units with a minimum grade point average of 2.0, including both of the following:

- completion of all courses required for the major with grades of "C" or better; and
- completion of the California State University General Education Breadth (CSU GE) (<http://catalog.sierracollege.edu/archive/2021-2022/student-resources/general-education/california-state-university-general-education-breadth-requirements/>) pattern or the Intersegmental General Education Transfer Curriculum (IGETC) (<http://catalog.sierracollege.edu/archive/2021-2022/student-resources/general-education/intersegmental-general-education-transfer-curriculum-igetc/>) pattern. (Students transferring to a CSU campus using IGETC must complete Area 1C Oral Communication to be eligible for admission.)

The exact wording of the law pertaining to associate degrees for transfer may be found in Education Code Section 66746.

It is highly recommended that, prior to transferring, students complete courses that satisfy the CSU United States History, Constitution and American Ideals graduation requirement. In all cases, students should consult with a counselor for more information on university admission and transfer requirements.

**RESTRICTION:** International coursework from non-United States regionally accredited institutions cannot be applied to associate degrees for transfer.
