Overview

The Administration of Justice program offers students an Associate Degree for Transfer which prepares students for transfer into the California State University system. In addition, there are three associate degrees offered with specific areas of concentration. Each concentration has specific core courses that are required of all students. Courses are available in law enforcement, specializing in police activities that promote public safety and service to the community; courts, specializing in responsibilities to the public through the trial system of adjudication; and corrections, where sentenced individuals are subjected to society's effort to provide accountability and correct the deviant behavior.

The Administration of Justice program also offers a number of POST certified peace officer training courses, including PC 832 Arrest and Firearms, as well as Modules III and II of the POST Regular Basic Course (Law Enforcement Academy). Successful completion of the two modules allows students to be hired as Level III or Level II Reserve Peace Officers in California. The Department also offers some in-service POST training courses for continuing professional development.

TRANSFER MAJOR REQUIREMENTS in Administration of Justice are available in the Counseling Center. In all cases, students should consult with a counselor for specific transfer requirements. Four-year graduates in Administration of Justice are qualified for career pathways in law enforcement, the courts and corrections.

Administration of Justice for Transfer

AS-T Degree

The Associate in Science in Administration of Justice for Transfer (AS-T) degree program allows students to recognize the importance of ethics and professionalism within the criminal justice field; analyze and apply legal principles to the daily operations of law enforcement, the courts and corrections; and analyze and critically evaluate information to solve problems within the criminal justice field.

The Associate in Science in Administration of Justice for Transfer degree (AS-T) prepares students to transfer into the CSU system to complete a bachelor's degree in Criminal Justice, Administration of Justice or a major deemed similar by a CSU campus. Students earning an associate degree for transfer and meeting the CSU minimum transfer admission requirements are guaranteed admission with junior standing to the CSU system, but not to a particular campus or major. Upon transfer, students will be required to complete no more than 60 additional prescribed units to earn a bachelor's degree.

To earn the Associate in Science in Administration of Justice for Transfer degree, students must complete 60 CSU-transferable semester units with a minimum grade point average of 2.0, including both of the following:

- completion of all courses required for the major with grades of "C" or better; and
- California General Education Transfer Curriculum (Cal-GETC) (<https://catalog.sierracollege.edu/archive/2025-2026/student-resources/>)

general-education/california-general-education-transfer-curriculum-cal-getc/)

The exact wording of the law pertaining to associate degrees for transfer may be found in Education Code Section 66746.

It is highly recommended that, prior to transferring, students complete courses that satisfy the CSU United States History, Constitution and American Ideals graduation requirement. In all cases, students should consult with a counselor for more information on university admission and transfer requirements.

RESTRICTION: International coursework from non-United States regionally accredited institutions cannot be applied to associate degrees for transfer.
