Overview

The education department offers students the opportunity to explore the field of education by gaining experience working with students in a school setting. Students interested in an AA degree that helps prepare them for a career teaching in public and private elementary schools should also see the Liberal Studies major.

Elementary Teacher Education: Integrated Programs for Transfer

AA-T Degree

This program is designed for prospective California State University transfer students who intend to become elementary school teachers. Upon completion of this degree, students will be able to identify principles that underlie effective relationships with others, basic observation tools, and basic lesson plans; identify academic requirements and experiences needed to obtain a teaching credential; define the role and function of the teacher in the public elementary school setting; and explain the ways in which a student's social environment, motivation, and behavior impact student learning.

The Associate in Arts in Elementary Teacher Education: Integrated Programs for Transfer degree (AA-T) prepares students to transfer into the CSU system to complete a bachelor's degree in Liberal Studies, or a major deemed similar by a CSU campus. Students earning an associate degree for transfer and meeting the CSU minimum transfer admission requirements are guaranteed admission with junior standing within the CSU system. Students are also given priority admission consideration to their local CSU campus but not to a particular campus or major. Upon transfer, students will be required to complete no more than 60 additional prescribed units to earn a bachelor's degree.

To earn the Associate in Arts in Elementary Teacher Education for Transfer degree, students must complete 60 CSU-transferable semester units with a minimum grade point average of 2.0, including both of the following:

- completion of all courses required for the major with grades of "C" or better; and
- (<http://catalog.sierracollege.edu/student-resources/general-education/associate-degree-requirements/>)California General Education Transfer Curriculum (Cal-GETC) (<http://catalog.sierracollege.edu/student-resources/general-education/california-general-education-transfer-curriculum-cal-getc/>)

The exact wording of the law pertaining to associate degrees for transfer may be found in Education Code Section 66746.

It is highly recommended that, prior to transferring, students complete courses that satisfy the CSU United States History, Constitution and American Ideals graduation requirement. In all cases, students should consult with a counselor for more information on university admission and transfer requirements.

RESTRICTION: International coursework from non-United States regionally accredited institutions cannot be applied to associate degrees for transfer.

EDU 0007. Tutoring Elementary Students in Reading

Units: 3

Prerequisite: Eligibility for ENGL 11 or completion of ENGL C1000 with grade of "C" or better

Hours: 90 (36 lecture, 54 laboratory)

An opportunity to learn and practice basic methods of tutoring elementary school children in reading. Combines lecture/discussion with field experience doing extensive tutoring at local elementary school. Negative TB test and fingerprint clearance required. Satisfies one of the two required field experience courses for the CSUS Liberal Studies Program. (CSU)

EDU 0010. Introduction to Elementary Education with Field Experience

Units: 3

Advisory: Completion of HDEV 1 with grade of "C" or better; eligibility for ENGL C1000

Hours: 90 (36 lecture, 54 laboratory)

Introduction to the concepts and issues related to teaching diverse learners in contemporary K-12 schools. Topics include teaching as a profession and career, historical and philosophical foundations of the American education system, contemporary educational issues, California's content standards and frameworks, and teacher performance standards. In addition to class time, requires a minimum of 45 hours of structured field work in public school elementary classroom that represent California's diverse student population. Fulfills one of the early field experiences for the CSUS Liberal Studies major. Negative TB test and fingerprint screening required. (C-ID EDUC 200) (CSU, UC)

EDU 0028. Independent Study

Units: 1-3

Designed for students interested in furthering their knowledge at an independent study level in an area where no specific curriculum offering is currently available. Independent study might include, but is not limited to, research papers, special subject area projects, and research projects. See Independent Study page in catalog. (CSU)

EDU 0095. Internship in Education

Units: 0.5-4

Designed for advanced students to work in an area related to their educational or occupational goal. Provides new on-the-job technical training under the direction of a worksite supervisor, allowing students to expand knowledge and skills in the chosen field. Mandatory orientation session and faculty approval to determine eligibility. One unit of credit is equal to 54 hours of work. Students may earn up to a total of 16 units in internship courses (any course numbered 95 and PDEV 94). (CSU-with unit limitation)
