AA Degree
LGBT Studies is an interdisciplinary and multicultural major that emphasizes the history and culture of Lesbian, Gay, Bisexual and Transgendered persons. The degree acquaints students with the way that sexual orientation/gender identity and expression intersect with ethnic and racial, socioeconomic, creedal and political identities. The major provides preparation for upper division course work in LGBT Studies, Women's Studies and Gender Studies at a four-year university. Students will be prepared for a variety of social service careers and for working in education. Most employers today welcome employees with expertise in diversity, including knowledge and experience with LGBT issues. In all cases, students should consult with a counselor for more information on university admission and transfer requirements.

Students must fulfill the following major requirements with grades of "C" or better, complete a minimum of 60 degree-applicable semester units (12 of which must be completed at Sierra College) with a grade point average of at least 2.0 and complete one of the following three general education patterns:

- Sierra College Associate Degree Requirements (http://catalog.sierracollege.edu/student-resources/general-education-associate-degree-requirements/);
- California State University General Education Breadth (http://catalog.sierracollege.edu/student-resources/general-education-breadth-requirements/);
- Intersegmental General Education Transfer Curriculum (IGETC) (http://catalog.sierracollege.edu/student-resources/general-education/intersegmental-general-education-transfer-curriculum-igetc/).
